PETITIONING THE COURT

To modify the conditions of supervision as follows:

- 17 You shall complete a mental health evaluation and follow any treatment recommendations of the evaluating professional which do not require forced or psychotropic medication and/or inpatient confinement absent further order of the Court. You shall allow reciprocal release of information between the supervising officer and treatment provider. You shall contribute to the cost of treatment according to your ability to pay.

CAUSE

Recent contact with the offender suggests that the above-mentioned modification is appropriate. David Stiles commenced a 3-year term of supervised release on September 19, 2008. In an attempt to provide federal funding, if necessary, it is requested that the Court modify conditions of supervision to include the aforementioned condition.

David Stiles was asked whether he would waive his right to a hearing and agree to the modification as previously described. As indicated by the enclosed waiver of hearing to modify conditions of supervised release form, Mr. Stiles has agreed to the proposed modification.

It is respectfully recommended that the attached waiver of hearing to modify conditions of probation be adopted requiring Mr. Stiles to participate in mental health treatment at the direction of the probation office.
